Product Information

Name _____ Version _____
 Type Process Simulator Unit Operation
 Property Server Other (specify) _____

What platforms are supported for this product?

Windows Mac Linux Unix
 VMS Solaris Other (specify) _____

Does the product contain interfaces to process engineering software? Yes No

If Yes, list other software for which interfaces have been developed.

What is the interfacing technology?

COM CORBA Other (specify) _____

Development Environment

What is the primary development language (e.g., C++, Visual Basic) of this product? _____

What is the primary development tool (e.g., Visual Studio) of this product? _____

Does this product currently use the .Net framework? Yes No

Will this product use the .Net framework within the next two years? Maybe Yes No

CO-LaN has demonstrated .Net interoperability with the current COM based CAPE-OPEN interfaces.

How important is it that CO-LaN develop native .NET interfaces?

Critical Important Low priority Not necessary

How soon are native .Net interfaces for CAPE-OPEN required?

Immediately Within 1 year Within 2 or more years

CAPE-OPEN Interfaces

Does the product contain CAPE-OPEN compliant interfaces? Yes No

If Yes, which interface types and versions are supported?

Interface Type	Version	Interface Type	Version
<input type="checkbox"/> Unit Operation		<input type="checkbox"/> Numerics	
<input type="checkbox"/> Thermodynamic		<input type="checkbox"/> Sequential Modular	

If Yes, what other software has been tested with the CAPE-OPEN interfaces?

Do you have current plans to develop CAPE-OPEN interfaces for this product? Yes No

If Yes, which interfaces do you plan to support?

Unit Operation Thermodynamic Numerics Sequential Modular

CAPE-OPEN Scope

What other applications (e.g., planning and scheduling, supply chain management, interaction with other business applications, etc.) would be facilitated by .NET adoption?

Training

What type of training regarding .NET/CAPE-OPEN would be useful?

CO-LaN

Are you familiar with the CO-LaN organization? Yes No

Are you interested in becoming a CO-LaN member? Yes No

Would you like someone to contact you with information on CO-LaN/CAPE-OPEN? Yes No
